

## Statement of Financial Affairs

### General Notes

**Note 1:** The Statement of Financial Affairs (the “Statement”) has been prepared by the Debtor’s management and is unaudited. While management of the Debtor has made every reasonable effort to ensure that the Statement is accurate and complete based upon information that was available at the time of preparation, the subsequent receipt of information may result in material changes in financial data contained in the Statement and inadvertent errors or omissions may exist. To the extent the Debtor discovers additional information that may suggest a material difference, the Debtor will amend the Statement to reflect such changes. Accordingly, the Debtor reserves all rights to amend its Statement as may be necessary or appropriate.

**Note 2:** Unless otherwise indicated, all amounts are listed as of the close of business on October 16, 2005.

**Note 3:** It would be prohibitively expensive and unduly burdensome to obtain current market valuations of the Debtor’s property interests. Accordingly, unless otherwise indicated, the Statement reflects the net book values, rather than current market values, of the Debtor’s assets and may not reflect the net realizable value.

**Note 4:** The Statement does not purport to represent financial statements prepared in accordance with Generally Accepted Accounting Principles, nor are they intended to fully reconcile to any financial statements otherwise prepared and/or distributed by the Debtor.

**Note 5:** The claims of individual creditors for, among other things, goods, products, services or taxes are listed as the amounts entered on the Debtor’s books and records and may not reflect credits, allowances or other adjustments due from such creditors to the Debtor. The Debtor reserves all of its rights respecting such credits, allowances and other adjustments.

**Note 6:** The Debtor estimates that prior to October 16, 2005, it accrued certain current expenses and other long-term liabilities that either are not payable at this time or have not yet been reported and, therefore, are not otherwise set forth in the Statement. The accrued liabilities, for which the Debtor has accrued reserves, relate to, among other things, workers’ compensation plans, vacation policies, litigation, environmental programs and federal, state and local taxes.
