

INTERNATIONAL LEGAL ADMINISTRATION SERVICES & EXPERIENCE

GCG has successfully completed numerous complex cross-border and international securities, antitrust, consumer, bankruptcy, and restructuring administrations. As a wholly-owned subsidiary of Crawford & Company, which has an expansive global network and resources in 70 countries, our ability to serve clients across the world is practically limitless. By drawing upon our experience and depth of resources, we manage U.S. settlements with global range, settlements reached and blessed contemporaneously in U.S. courts and courts abroad, and settlements reached solely overseas under the jurisdiction of a court in another country.

NOTICE AND CLAIMANT OUTREACH

- Publication programs in as many as 140 countries
- Effectuation of notice in Europe via process of service and the Hague Convention
- Placement of internet banner ads on international industry websites
